‘When a plucky community theatre is given the opportunity to produce a royalty free show, they jump at the chance. Little do they know that maddening interference from the authoress will spin them into a tale of “anything that can go wrong will go wrong.”

The show is hilariously amateur, the “murder mystery” plot doesn’t really have a murder, and to top it off the playwright keeps changing the story and script only two days from its premiere! It doesn’t help that the cast is disgruntled, and the playwright accidentally deletes the entire sound effect board. All of the disasters come to fruition in Act III when the company performs the actual show with hilarious mishaps at every turn».

Note: performances also on Thursday 22nd, Friday 23rd & a matinée on Sunday 25th)

We are sad to announce the **death of Joyce Wailes**, who passed away on 5th September at the age of 92. Joyce was a dear friend and long-standing member of our club, and our deepest sympathy and condolences go to her family and friends. We will all miss her.
