

## Christmas Party 2022

Date: Friday 9th December

Time: 18h

Place: **Restaurant L'Orée des Bois**  
**Route de Montheron 63, 1053 Cugy**

Dear Members,

We are delighted to announce that our club is once again holding its Christmas celebration jointly with the International Club of Lausanne. This year's venue is the restaurant l'Orée des Bois in Cugy, which as you will see is proposing a tempting choice of menus. There is also plenty of parking space on either side of the restaurant.

Incidentally, there is additional access to our party room via the terrace, so if anyone happens to spot Rudolph attempting to enter surreptitiously, be kind to him but don't let him in, and under no circumstances allow him near the drinks tray. (In case you haven't met him before, you can recognise him by his antlers, which he has difficulty hiding under his ski hat.)

As ever, do please bring an attractively wrapped present for Santa's sack; something simple for around CHF 10 is perfect – the important thing is for everyone to receive a nice gift. Santa's sack is (like Santa himself) showing its age and we hope that neither will collapse on the night. We can no longer count on his little elves to help him out, as unfortunately the elf service is not what it used to be.

Don't hesitate to bring along some of your favourite CDs to sing to, including Christmas carols, which are of course always very welcome. This year's Christmas cracker jokes are promised to be as bad as last year's, and our end-of-year quiz will be a surprise to all of us.

We are pleased to offer the CHF 59 menu at a special price to members of both our clubs, i.e.

**CHF 49** for paid-up members / **CHF 59** for non-members.

**Please book with Chantal (021 648 09 18) or Janet ([janet.boksanyi@bluewin.ch](mailto:janet.boksanyi@bluewin.ch) or 021 791 14 42) and pre-pay the amount to the club's account as soon as possible, using the attached payment slip. All payments arriving on the club's account by Monday 27<sup>th</sup> November are considered as firm bookings. (Later bookings might still be accepted, but are only possible as long as the restaurant manager accepts them). When booking, please indicate your chosen main course (filet de boeuf or sole entière au four).**
